Your fee includes a contact hour certificate. Replacements are \$5.00 each.

Presents

Diabetes Update

***Offering to
Organizations for
On-Site Training of
their Employees***

Our Programs include
orientations, cross training
and continuing education.

Purpose

As the diabetes epidemic grows, the need for nurses with expertise in the management of the disease is rising. This program is designed for the experienced nurse who would like to become a diabetic resource within their clinical setting.

Terminal Objectives:

At the completion of this program the learner will be able to:

- Comprehensively manage the nursing care of the diabetic patient in a variety of settings.
- Apply current research of the etiology, medication regime, diagnostic testing and complications of diabetes.
- Discuss the challenges in the treatment of special populations.
- Explain the process for becoming a certified diabetic educator.

Epicare Associates, Inc. is an approved provider of continuing nursing education by New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission On Accreditation.
P#195-9/13-16

Provider approved by the California Board of Registered Nursing, Provider #CEP16279
